

March & April Hours

We're coming to the close of a LONG snowy winter and we couldn't be happier to see that elusive sun shining and hear more birdsong on the wind. We have about another month before we'll start to see the harbingers of Spring in Michigan, but we have recieved spring garlic and onions from Southern Indiana to help liven up our dishes as we pine away for Spinach, Fiddleheads and of course local Morels.

Until then, come experience the atmosphere of our newest offering: RYE - A Public House. The comfortable atmosphere and antique bar salvaged from the Schnitzelbank in Grand Rapids will warm you through these last weeks of winter.

Journeyman and RYE have abbreviated hours through the end of April:
